I authorize Central Park West Dentistry to charge my credit card as per above. Each year upon my anniversary date, my enrollment in the Hygiene Membership Plan may be renewed.

By signing below, I acknowledge that I have read, understood, and agreed to the following plan details and conditions:

- **Membership is a 12-month commitment.** If a member chooses to cancel early, any paid premiums cannot be refunded. He or she will be responsible for paying the full office fees for any services rendered during the period. Membership discounts cannot be applied to early terminated agreements.
- The Hygiene Membership is an exclusive program, which cannot be used in conjunction with any type of insurance or combined with other discounts or specials.
- It's important to maximize your Membership benefits by making appropriate appointments within the 12-month membership period. If appointments or benefits go unused, a refund cannot be granted, and any unused services will not roll over to the next year.
- Membership is not dental insurance and is only valid at CPW Dentistry.
- Benefits will terminate one year following the enrollment date or after the corresponding number of allowed visits, whichever comes first.
- 10% treatment discount cannot be combined with interest free financing or any other discounts.
